Webstreaming – how to download a clip

Reference: EP185618 Duration: 00:02:10 Location: Brussels Date: Jan 5, 2025
Type: CLIP edit

Summary:

Livestreams and VODs (Video on demand) of committees, plenaries and press conferences are available in the Webstreaming section. This tutorial offers a step by step guide on how to access and best utilise the streaming of the European Parliament on the Multimedia Centre. The user can trim/clip parts of the video by selecting a time code or through the slider bar. Furthermore, the users can customise the videos by selecting the preferred language. The videos can then be downloaded directly and also be shared via social media or email.

Only the original language version is authentic and it prevails in the event of its differing from the translated versions.
